To: One Young World

Re: Pleading for the organisation of the One Young World summit in AFRICA .

Dear Officials ,

On behalf of my fellow Africans participating to the One Young World summit in Munich_Germany, 22-25 July 2021,i hereby plead for the organisation of the One Young world summit in AFRICA.

Africa is the world's second-largest and second-most populous continent in the world and Africa has the youngest population of any region, with a median age of 20 – roughly a decade less than the global figure.

For the host country, it will be an opportunity to share its culture and values, create jobs in various sectors of the economy on the sidelines of the event.

We have noticed that the summit organisation is booked till 2024, it could be the year after or the following years at your convenience.

The One Young World summit in the Africa's soil could be organised for instance in a country that hosts the same year the Africa Cup of nations. To that stand, facilities will be available inlcuding hotels and the summit venues.

Differents cohorts of Africa's Ambassadors including myself will be happy if needed to assist you in this process.

For a recall, South Africa welcomed 1,250 young leaders from 190 countries as the One Young World Summit 2013 kicks off with its Opening Ceremony at the FNB Stadium_Johannesburg.

Attached is my invitation letter to the One Young World summit in Munich.

We hope this request will attract your attention,

Sincerely ,

Thierno Mamadou DIALLO
